

Valatie Senior Center Program

Art Activities • April – May 2026

Thursdays 1:00pm – 3:00pm

ART FUN with Valerie Richmond – A fun, welcoming weekly art series for all skill levels!

Materials will be provided, but class artists may bring in their favorite art materials.

Week 1 – April 23, 2026 Doodling & Noodling Part 1

We begin our “doodling” on multimedia paper with watercolor, colored pencils, and pens. Then, we explore our imaginations with “noodling” - creating maps, puzzles, and stories.

Week 2 – April 30, 2026 Doodling & Noodling Part 2

We continue our doodles and noodles, expanding our multimedia adventures with acrylic paint and colored markers, exploring with metallic watercolors and inks.

Week 3 – May 7, 2026 World of Collage Part 1

Anyone can find their true artist spirits with glue in one hand and everyday materials in the other. Class artists are encouraged to bring in personal materials to use. If using photographs, please bring in copies of the originals.

Week 4 – May 14, 2026 World of Collage Part 2

We continue to make our collage pages and use envelopes too. Later, we will bind them into small books with pockets.

Week 5 – May 21, 2026 The Land of Zines & Cards Part 1

Zines are little books that can be made from a single sheet of paper. Zines can communicate our favorite themes we want to share with others. Zines can be made from our noodling and doodling, our collage work and paintings, our drawings and writings! We will also have more fun making beautiful cards, and small books.

Week 6 – May 28, 2026 The Land of Zines & Cards Part 2 with Stickers! (And Cake!)

We finish our zines and cards and decorate them with a selection of fun stickers! We'll share them with each other, and invite our friends and family to celebrate with cake at our Artists' Reception!

SIGN UP TODAY!

Call the Valatie Village Office at 518-758-9806, or Email: clerk@valatievillage.com.

Or sign up in person at the Valatie Senior Center, 3302 William Street, Valatie, NY.

Space is limited!

This program is fully funded by a grant from the Berkshire Taconic Community Foundation.
